Date : 20.12.2020

To whom it may concern

This is to certify that campus of Kolhan University, Chaibasa is eco-friendly and well maintained water energy, waste management, Bio diversity, etc.

To the best of my observation, Kolhan University, Chaibasa campus done exceptionally well to conserve environment and ensuring sustainable development for the assessment 2019-2020 year.

(Dr. V. S. Sinha)
