UNIVERSITY DEPARTMENT OF ENGLISH & CULTURAL  
STUDIES

KOLHAN UNIVERSITY

CHAIBASA – 833201, JHARKHAND

Ref. No.:

Date:

Action Taken Report

The analysis of the feedbacks on different parameters received from the P G English students apprised the Department of the issues being faced by the learners.

The major issues/grievances pointed out by the students included (a) the lack of teaching faculties in the department (b) frequency of curricular events to be enhanced (c) uninterrupted power supply for effective use of smart board (d) enhanced internet connectivity (e) better maintenance of washroom for girls and boys

As for the lack of teaching faculties the department resolved to conduct online classes using the teaching resources from other colleges. Simultaneously, curricular events would be augmented by organizing seminars on weekly basis and holding more sessions for quizzes, poetry recitation and skits enactment. As for the regular power supply, better internet connectivity and better maintenance of washroom for girls and boys request would be sent to the university administration for the needful.

## Department of Commerce

On the basis of the student feedback report provided from P.G students on various parameters like the facilities and amenities provided by the university and Teaching and Learning experience various actions taken by the Department are:

1. As per the feedback, around 50% students are not 'not very satisfied' with the initiatives taken in by the university to promote internship and field trips (virtual) etc.

Hence It was decided that the department may conduct Industrial visit for the students but with the consent of parents post pandemic.

2. In the teaching-learning experience, students are satisfied with their experience however certain percentage of students felt that the classes should be more interactive.

Hence it was decided that in order to make classes more interactive, teachers would further enhance their teaching learning pedagogy techniques.

The faculty will use more and more ICT tools wherever feasible

3. For extracurricular activities: The issue would be discussed with students, what all extra activities they intend to have apart from what were already organized.
4. Multiple students said that one of the biggest Challenge faced during online mode of teaching is network related issues:

For network related issues: University is working to update and enhance it's new wifi, so that student's issue will be taken care of.

# Department of Botany

**Action Taken:** Teachers are very well aware of the harmful effects of long screen exposure on eyes. Teachers are trying their best to emotionally support students by encouraging them to utilize their time by reading books, making notes, sketching, painting. We are releasing newsletter this year to encourage their creative side & to motivate them more.

Internet issue is taken into consideration by teachers for students. We have incorporated these suggestions while making time table. Gaps are given during long practical classes. Gaps are also given between theory classes.

We are re-assessing our assessment methodology as per student's suggestion.
